

Built for every *season outside.*

High-performance outdoor furniture with the warmth of wood.
Made for rain, salt air and cold-weather living.

WATERPROOF

Water-shedding surfaces

FROST RESISTANT

Ready for colder climates

REALISTIC WOOD GRAIN

Warmth without the upkeep

GRS CERTIFICATION

Recycled material traceability

Performance, in the grain.

The warmth of wood, engineered for rain, salt air and cold-weather living.

THE MATERIAL / HIGH-IMPACT POLYSTYRENE

Made to look natural. Made to live outdoors.

01

WEATHER-READY

100% waterproof and UV-resistant.

02

LOW-CARE

No painting. No routine maintenance.

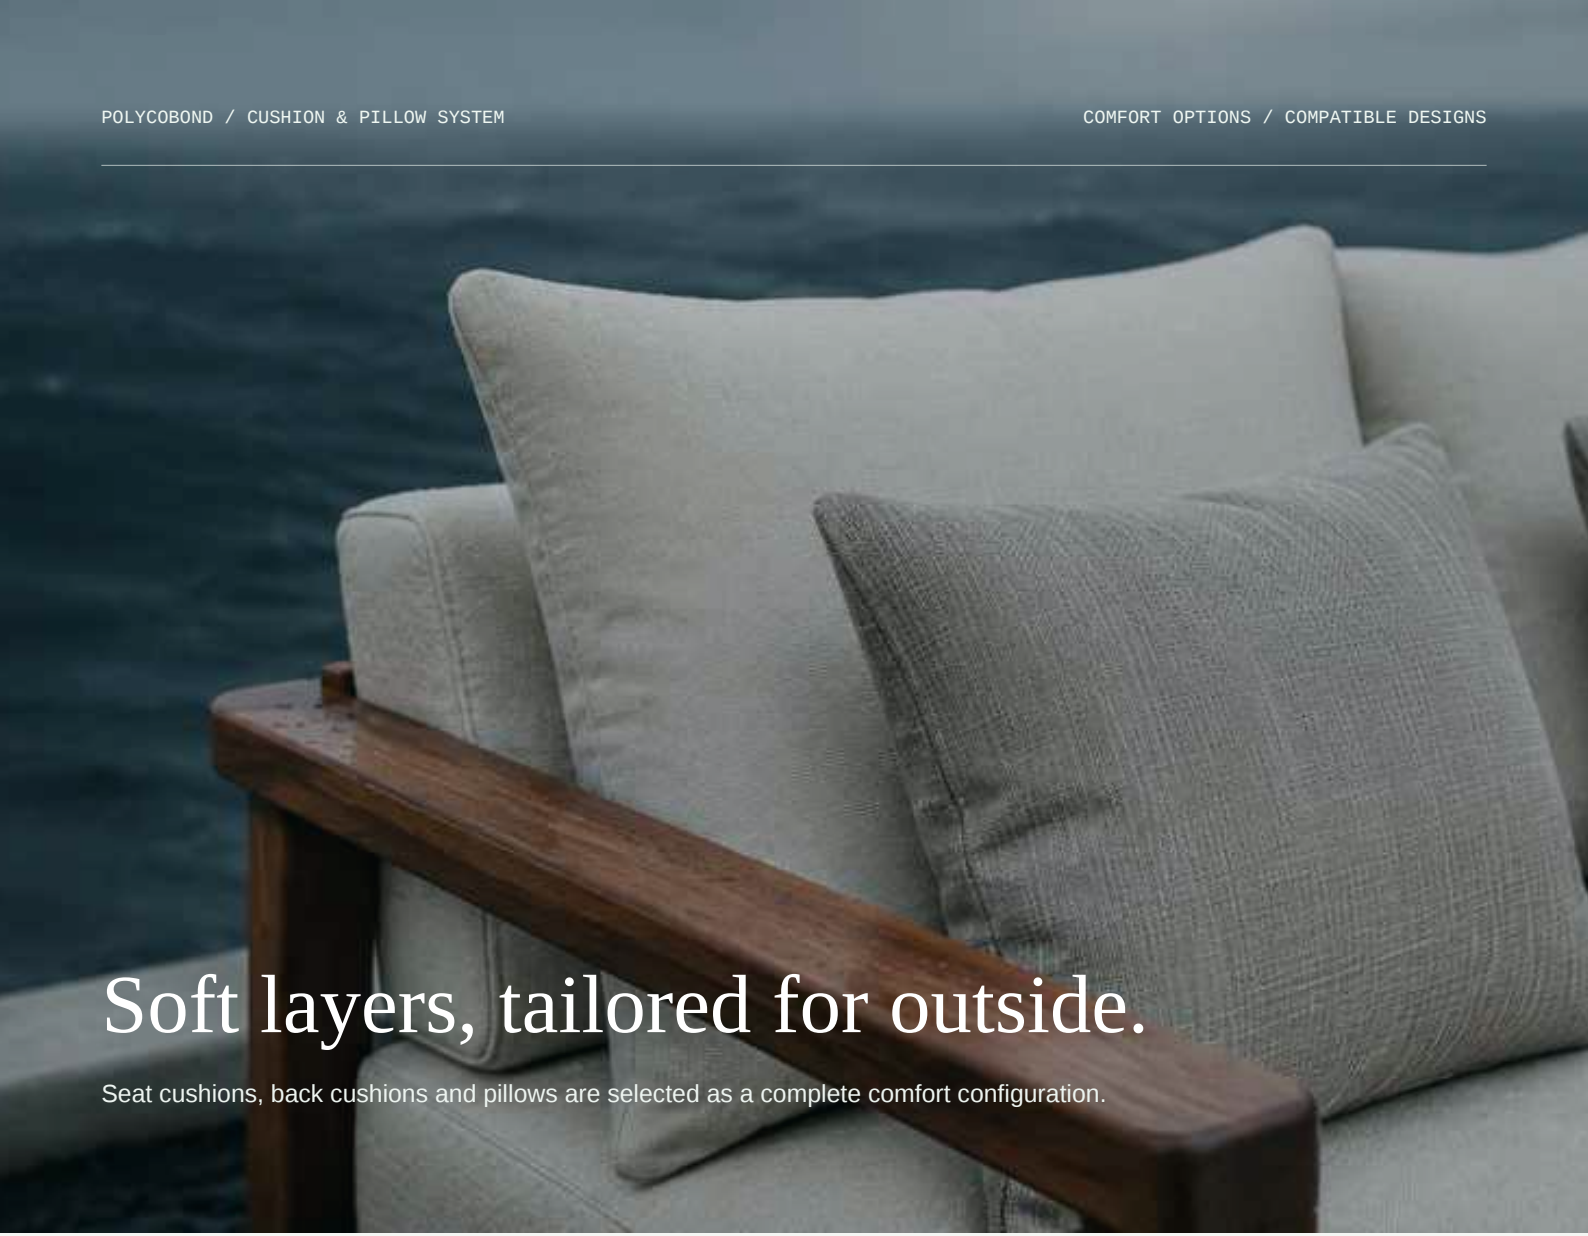

03

CIRCULAR

Recyclable material. GRS certified.

TESTED OUTDOOR DURABILITY

ASTM G154-23 Cycle 1 / pass • 2,000-hour light-aging test reference • realistic wood-grain surface

Soft layers, tailored for outside.

Seat cushions, back cushions and pillows are selected as a complete comfort configuration.

CUSHION & PILLOW OPTIONS / SELECT PER COMPATIBLE MODEL

Comfort is specified in layers, then finished in fabric.

01

SEAT CUSHIONS

Comfort options for compatible lounge, sofa and selected seating designs.

02

BACK CUSHIONS

A supportive, softer layer specified as part of the cushion configuration.

03

PILLOW OPTIONS

An optional layer for added visual softness, colour and texture.

COMFORT CONFIGURATION

Confirm model compatibility, cushion set, pillow option and fabric selection with the professional material colour chart before production.

Fabric, selected with purpose.

Tactility, structure and finish for compatible outdoor cushion programmes.

FABRIC FAMILIES / A MATERIAL LANGUAGE FOR OUTDOOR COMFORT

Choose by feel, structure and finish.

01

POLYESTER

Versatile option for tailored seat and back cushions with an everyday feel.

02

OXFORD CLOTH

Structured woven option for more defined cushion configurations.

03

ACRYLIC FABRIC

Premium option for selected comfort programmes and colour directions.

SPECIFY WITH CONFIDENCE

Confirm compatible model, fabric family, colour, weight, finish and cushion configuration with the professional material colour chart before production.

The collection, *arranged by life outside.*

Two lines. Eight series. One complete outdoor furniture range.
